

**NORTHWEST
TRADITIONAL
ARCHERS** *Expo*

PHOTO CONTEST

The picture(s) being submitted must have been taken sometime in the year preceding the Northwest Traditional Archers Expo. What that means is, the photo had to have been taken sometime between January 1st, 2023 and December 31st, 2023 to be entered into the contest.

RULES

THE FOLLOWING ARE THE FOUR CATEGORIES OF PHOTOS IN THE CONTEST.

TRADITIONAL HARVEST

This photo must be taken with your own camera, but can be taken by your hunting partner. You can also submit your hunting partners harvest photo that you took using your own camera.

TRADITIONAL LIFESTYLE

The subject of this photo should be of but not limited to, traditional bows, arrows, somebody shooting a traditional bow, the making of a trad bow, arrows, etc.

LANDSCAPE

This photo should be a photo of, but not limited to, mountains, valleys, fields of flowers, etc. This photo must be taken by using your own camera.

WILDLIFE

This photo should be a photo of, but not limited to, wild animals, big and/or small. In its own natural wild setting, not at the zoo or in a petting corral. It may include horses, llamas or goats used to pack into the back country for your traditional archery hunt and/or used to pack out your traditionally harvested animal. This photo must be taken by using your own camera.

HOW TO VOTE

Everyone attending the Northwest Traditional Archers Expo will vote for their favorite photo from each category and also vote for one overall favorite photo of all categories.
